Sir:

In response to the Interview Summary mailed March 30, 2007, please enter the formal reply as follows:

On March 20, 2007 at approximately 1:00 PM EST, a telephonic interview was conducted between Examiner Leynna A. Ha of the USPTO and Michael Martensen representing the Applicant. During the interview, claims 1, 7, and 10 were discussed with respect to the cited prior art, Britt and Howard. Examiner Ha suggested including a step to determine whether the communication error was an error of identity or an error of connectivity and inferred that a step of revalidating the corrected configuration data prior to automatic installation may aid in allowance. Examiner Ha also indicated that such changes would likely necessitate a filing of a Request for Continued Examination (RCE). She did note that the redirection was claimed as occurring automatically which would not necessitate a RCE. While an
